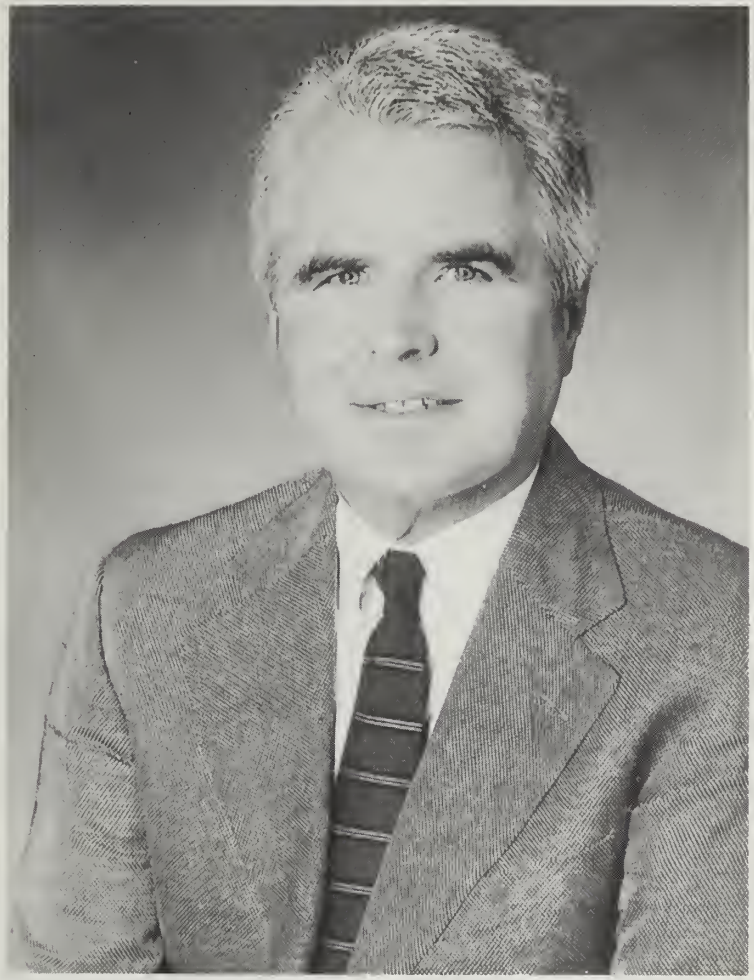
DEDICATION TO MR. THOMAS MCGOVERN



On behalf of the yearbook committee and the Bachelor graduates, we are proud to dedicate this year's yearbook to Mr. Tom McGovern.

Mr. McGovern is the advisor for the first graduating class of Management students. He has spent a great amount of his time both in and out of class with his students.

A student who has encountered Mr. McGovern in class has learned his unique way of connecting the outside world to the textbook. His teaching methods etch information in student minds forever. His subjects include Economics, Marketing, Management, and Organization Behavior. He keeps students focused with his fun, original point of view.

When visiting Mr. McGovern out of class, one benefits from his positive influence. Whether there is a paper to write, an interview to prepare for, or a classroom problem, he is available to talk and help.

Mr. McGovern has given us advice we need when we leave Fisher College and go out into the world. He has made great efforts to keep us happy and productive. For all this, we are grateful. Thank you, Mr. McGovern!

PRESIDENT FISHER'S MESSAGE

Dear Students:

Congratulations to you on all your achievements here at Fisher College. Your accomplishments and first experiences here will not only provide a solid base for future challenges but also become wonderful memories as time goes by. During your time at Fisher, you have, like Odysseus of ancient Greece, left the comfort of high school and the familiar surroundings of home to embark upon a voyage of new experiences. In the classroom, you have traveled through an ocean of general knowledge and specific bodies of knowledge related to your intended career. Outside the classroom, you have made friendships, played sports, enjoyed student activities and so much more. Many of you were able to participate in the Euroweek trip to Madrid, enabling you to get a taste of Spain on that learning adventure.

Well, an even greater odyssey is about to begin for you following commencement. There is so much to learn, see and do. On behalf of everyone at the College, it has been a real pleasure being with you during your time here. We hope that you will find success and happiness in the years ahead.

Sincerely,
Christian Fisher

The Fashion Merchandising Department traveled to New York City for an exciting day tour of several fashion houses and related industries. Twenty-eight students, Director Terry Howe, and Instructor Maureen Corbo visited Color Association of the USA, where color choice is decided by committee. After that, they met the Associate Fashion Editor at Glamour Magazine and toured the Times Square offices.

In the afternoon, the group viewed the Donna Karan licensing collection at DKNY Time and learned about the licensing business.

The other stops included a tour of Tahari Design Company's fabulous new showroom and the FIT Museum's retrospective exhibit of the work of Bonnie Cashin, the great American designer.

STUDENT TRAVEL FAIR - DON'T FORGET TO WRITE!

Students, faculty and administrators explored exotic sites, sampled regional foods, played games, created local crafts and gathered travel literature at the annual Student Travel Fair, entitled "Don't Forget to Write!" Hosted by the Principles of Meeting Management class, this event combined education, fun, and also fuel for everyone's urge to get away on the next break from school. We wish everyone a safe journey, and remember, write!
